जस्मदीयम्

In Vachanamrit Shreeji Maharaj has said that if four types of Pralay are understood, one feels not surprised when he listens to or comes to know about the current events and incidents happening in the world but one feels divine pleasure about divine Leela of Parmeshwar. For example, in stead of being unhappy or disturbed for the Corona pandemic one can find pleasure having a smart view and different approach to look at it and thereby one can remain fearless. For example what message should be learnt from the distance of six feet and mask – the message is that, to be too much close with anybody is dangerous and to devour anything that we get is also dangerous and risky for our health. One should take meals considering and understanding this then one will not be sick of any disease or will not suffer ailment. It also includes the duties of Sadachar (noble conduct) prescribed by Shree Swaminarayan Bhagwan in the pious 'Shiksha Patri' and the person who performs one's own duties, does not face any obstacles or difficulties in his life and all his tasks are accomplished and all his works are done successfully.

Shree Swaminarayan Bhagwan performed three GudhSankalp : temples, scriptures and seat of Acharya in Dharmkul.

The then officials of the East India Co. under the directions of the Queen of England executed the document for allotment of land on permanent basis on Tamra-Lekh and requested to develop a temple upon the land and to make it head quarter-qua-main place of Sampradaya.

In Satyuga Sabarganga Dharmaranya was the land of Pradurbhav of Bhagwan Shree

invoked Yugal Swaroop of Shree Narnarayandev while embracing it in Shree Swaminarayan temple, Kalupur, Ahmedabad and Samaiyo was organized. Even today both these swaroops are present at the same place.

In the history of two hundred years and under the leadership of Acharya Parampara (tradition) Koti-Koti Saints and Satsangis have rendered their devout services with their mind. Body and money. So Parva is an auspicious occasion to remember all these devout services.

Let us come together and celebrate Parva of 200 years under the leadership of our Future Acharya H.H. Shri 108 Shri Vrajendraprasadji Maharaj with the directions and blessings of H.H. Shri Acharya Maharaj 1008 Shri Koshalendraprasadji Maharaj, H.H. Shri Mota Maharaj Shri Tejendraprasadji Maharaj and the whole Dharmkul and make it a memorable experience for all of us.

Note :

- For rendering services as host devotees for various occasions, names may be registered in Kothar of Kalupur temple.
- Mask may be worn invariably at the time of Sabha in villages and social distance may be maintained. There should not be honouring with garlands.

Shree Hanumanji Maharaj is present in Dhaja of Shree Narnarayandev and therefore there is a description in the scriptures that if any person does not get an opportunity to perform divine Darshan of deity, if he performs divine Darshan of Dhaja of the temple of that deity, he gets the same result. Therefore just there is importance of Murti Pratistha of Bhagwan in the temples there is great importance of offering Dhaja to temple. This year following devotees have availed such a divine benefit upon fulfillment of their wishes.

In order to fulfill the desires of devotees and also for Kalyan of Mumukshus Shree Swaminarayan Bhagwan has performed Vicharan in the whole of Gujarat State. After the ritual of Pratistha in Ahmedabad temple, Shreeji Maharaj has performed Vicharan in small villages situated around city of Ahmedabad to grant emancipation to the most down trodden people. One such village is Pethapur of Gandhinagar district. Village Pethapur is situated on the bank of river Sabarmati. The temple situated in the village has three domes and its door of inner temple facing the east direction. The entrance gate is facing the South direction. In the middle inner temple there are three idol images of Shree Radha Krishna Ghanshyam Maharaj. Adjoining it is Sukh-saiya and Chitrapat Shree Hari Murti. Sabha Mandap of this place is got constructed by Sadguru Bhumanand Swami and earlier this was Hari-mandir. Over a period of time Sadguru Swami Aksharjivandasji developed it into the temple with dome and on the pious day of Fagan Sud-03 Samvat 1973 ritual of Pratistha of the deities was performed by H.H. Shri Acharya Shri Vasudevprasadi Maharaj.

This place has been graced three times by Shreeji Maharaj and there is Chhatri in the temple premises in its memory. Shree Hari has performed Snan in the Sabarmati river passing by the temple and has performed divine Darshan of Sukhadia Mahadev situated on the bank of the river and there is a place and Aaro of Prasadi in this temple. Here Murti of Shree Hanumanji is also of Prasadi. The printing work of this place was very well known.

SHREE SWAMINARAYAN

Shree Hari in Pethapur

Bhagwan Shree Swaminarayan has graced Pethapur village and destroyed Adharma and has sanctified village Pethapur with His Pavan Charan-raj. Simultaneously while fulfilling the desires of the devotees they have been made devout in their service. Description of the devotees of village Pethapur has been made as under by Sadguru Nishkulanand Swami in 119th Prakaran of Bhaktachintamani Granth:

ક્ષત્રિ ભક્ત રાસોજી વખતો, ભજવા હરિ કર્યો દેઢમતો ॥૧૫॥

હરિજન ગુલાલ સોનાર, દ્વિજ દોલિ રાઈ ભાવસાર ॥

એહ આદિ ભક્ત બીજા કઈ, ભજે પ્રભુ પેથાપુર રાઈ ॥૧૬॥

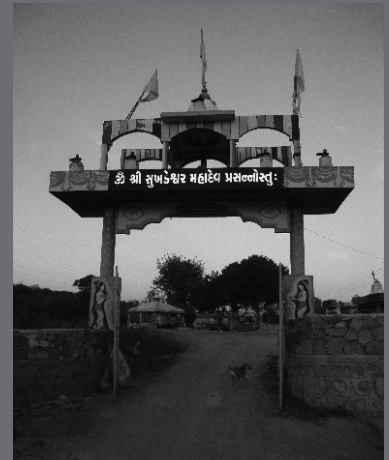

Abovementioned devotees rendered their beautiful services to Shree Hari and availed divine benefit. They were always ready to render their services without any expectation.

Once Jethabhai Vyas of Pethapur went for the pilgrimage and came to Ahmedabad. Here he performed Samaiyo of Ramnavmi in Ahmedabad and then visited Vadodara, Surat, Bharuch, Khambhat and Vadtal.

In the temple, he performed darshan of saints and Thakorji in the temple and narrated to the saints that he had been out for the pilgrimage. At that time, the saints advised him to go back to home as disease of Kogaliya is going on but the devotee was determined to perform Panchtirth and so he slept at night. In the night, Shreeji Maharaj granted him divine Darshan and said that in One Swaroop He would go to Ahmedabad with Raghuvirprasadji Maharaj and the saints and in Other Swaroop He would accompany him and so he may go and complete Panchtirth. Jethabhajai Vyas became very much happy and he started and accomplished his Panchtirth and reached home safely. In this way, his pilgrimage was completed with the blessings of Shreeji Maharaj.

VarsoKher of Pethapur was ardent devotee of Shreeji Maharaj and he had performed much Satsang and had encouraged others also to perform Satsang. Even his daughters had rendered their beautiful services. VarsoKher was now old and he was worried as he had no son and he died and with the blessings of Shreeji Maharaj, he was born at the house of his daughter in his next life. Though VarsoKher was an ardent devotee, he had to take birth again as human being due to his excessive wish to have a son. Thereafter Kalyan was granted to him by Shreeji Maharaj.

In this way Bhagwan Swaminarayan used to grace village Pethapur accompanied by saints and parshads and grant divine happiness to the devotees. (Information about such other villages situated nearby Ahmedabad will be furnished hereafter. If details with photographs of your village will be sent, the same will also be included)

FROM THE BLESSINGS OF H.H. SHRI ACHARYA MAHARAJ

- Compiled by Gordhanbhai V. Sitapara
(Hirawadi – Bapunagar)

On the occasion of 199th Patotsav of Shree Narnarayandev (Ahmedabad temple) 16/03/2021 :As stated by H.H. Shri Lalji Maharaj, all of our Utsavs are great. Right from the beginning, my purpose is that villages are my life-line. Nobody disagrees with me in this regard. I have graced the houses and villages of each of these devotees accompanied by the saints. Every village should get justice and this is perhaps the original purpose of and reason behind Utsav-Samaiya. For the rich Haribhakta, Shreeji Maharaj has asked to organize Utsav and Samiya but the last year in a Sabha I had told that, in this Parv everybody should contribute. We cannot decide whether any devotee is big or small. Our intellect is limited. Who is big or small is determined by Bhagwan.

Now you may or may not know, it could not be decided as to what name should be given to the next Utsav. It became a brain storming session. P.P. Swami (Jetalpur) and Mahant Swami were telling that, Maharaj has not been deciding anything. But I was looking for a word – just as there cannot be an equivalent to this Dev – there cannot be an equivalent to Utsav of this Dev. It should be clicked to the mind in a second. And at last H.H. Shri Gadiwala gave the name 'Parv' – and you can see this short and yet meaningful word in this invitation card. Keep some social distancing. There might be second lock down. I tell this seriously. If we do not take

care of ourselves, nobody else will take care of us and I am telling you this fact and hard reality.

This letter (Patrika of Parv) is basically original and it is with me. A great research was undertaken in the Museum through P.P. Swami, Mahant Swami and devotees like Hitendrabhai. The scriptures like old Ramayan hand-written by the Nand Saints, Shrimad Bhagwat etc. were researched. I had asked the devotee Shri Hitendrabhai to search and find out an old document of administration and not of religion. I want such a document. This is a print out of the original document which we obtained after the Museum was prepared. There is original writing in the background of Patrika of Parv which is very historical and nobody else has it.

There is great contribution of Gnagama, wife of Ramabhai Raja etc. in our Jetalpur, Mulidham etc. temples. But look at the history of Ahmedabad temple if you are interested. Because I am interested in history because we do not want to do beating about the bush. The officials of the then Indian government and the representatives of the British government got together and met Shreeji

SHREE SWAMINARAYAN

Maharaj and asked, “Do you have any place in Ahmedabad? Any Matth? Any place?” Maharaj had been cherishing Gudh Sankalp of temple with a view that Upasana Suddhi of His devotees is preserved. Nature of Shreeji Maharaj was simple that, even a handkerchief would be felt heavy when held in hand. Accordingly, it was said no for the temple. If possible, read Granthof Adharanand Swami. Maharaj has said, now if more temples are to be developed, Shree Narnarayandev may be invoked and Shiksha Patri and their poojan may be performed. And nothing else may be done. We all like gold and silver. Maharaj says that, He does not like the gold at all! **We have to learn as to how we cannot digest our Bhagwan as He is.**

With the grant of East India Company, Shreeji Maharaj accepted the huge plot of land for the construction of temple but the officials had the powers to grant the land on lease for the period of 99 years only. Maharaj having blood and roots in Uttar Pradesh, thought if another government comes in power and asks to remove the temple from the place when the lease period is over, can it be allowed? We do not want it only for the period of 99 years. Whatever work may be done it should be done with complete full-proof otherwise it may not be initiated! Thinking on this line, Maharaj put the condition to have documents duly executed on permanent basis. The letter was sent to Britain and was placed before the Queen of England. And the Queen of England granted permission and a seal of approval was applied and Tamralekh was prepared thereafter. The administrative letter of this matter came into our hands before one month. This can be considered as greatest co-operation on the occasion of ‘Parv’. A

display of this letter is planned during this Utsav. This is the only temple which has been got constructed after accepting the land by Shreeji Maharaj Himself. It has not been got constructed with the request of others. What is to be learnt is that, there is no joy in doing the work superficially. If any task is taken it should be accomplished with whole hearted efforts. There is an importance of signature and there is a seal above the signature. Nobody else has such a document which we have today with us. General outlines of the programme has been discussed so be prepared. I say with authority because I consider all of you as My own. Even the smallest devotee should get justice. I would not hesitate to go to a hut – this is a tradition given to us by Shreeji Maharaj. Maharaj has graced the house of Sagaram Bhakta and has also graced the palace of a king. All of you extend your co-operation and services. Whatever has been saving after the Utsav is over, it has been used. From the savings of Rajat-Suvarna Jayanti Mahotsav, marble work of Chhapaiya main temple has been completed. Now the same Chhapaiya has been placed by the Tourist Department of India and I have not got it done because we do not want any liability. If liability is taken, a stone can be moved or shifted after obtaining the permission. Grant us the facilities as of right to us and to our devotees. Recently work was done for eight months with the guidance of an architect and Karshanbhai which included the survey and planning and slab of the first floor has already been constructed. Do you know it? We have not demanded any money from anybody. We use the money which you have been offering by placing it in a box placed in front of our temples. But through Samaiya-Utsav special works are

SHREE SWAMINARAYAN

being done. With this noble purpose in mind, those who are capable should render their services freely and one should not render services beyond one's own capacity.

When H.H. Shri Lalji Maharaj said that Logo of Utsav has been prepared by H.H. Shri Acharya Maharaj Himself, with all humility H.H. Shri Acharya Maharaj said that, He sat with Amit Kharsani and the work was done in a minute. Yes, certain methods and concepts were taken from the saints. One needs to put in his 99% hard work and 1% blessings of Bhagwan is added to it and it does the work of 1000%, and we all know it. But we have to put in our 99% hard work. These are Vachan of Maharaj. I don't do anything until it strikes to my mind. Parva means Parva. This is Parva and we all have to get together and celebrate it. There cannot be any adoring adjective before the word 'Parva'. What adjective can be placed before Shree Narnarayandev?

We have to celebrate this Parva and all of you are having great responsibility. Myself, H.H. Shri Lalji Maharaj and saints are also there. Myself and H.H. Shri Lalji Maharaj are going to distribute and cover 50%- 50% villages between us. I remember the old name Lavarpur village. Now it is changed drastically. Earlier there was clay-made houses and walls were also made of white-clay. There were Deshi bricks and the ceiling fan hanging below the wooden central supporting wood. Though a voice was coming out of the rotation of the fan, one could sleep peacefully at night. Now adays there are A.C. in the room and yet one cannot get sound sleep. I have no problem. There are blessings of Bhagwan and I get sleep immediately. When can one get such a sound sleep? When there is peace at heart and trust upon Shree Narnarayandev. There

are so many things going on in this world but our Satsang has been developing..... it happens as per wish of Shree Narnarayandev. Vachan of Maharaj are equivalent to full stop. There are 212 full stops. There is no comma, otherwise 213rd would have been added to it. But nobody has done because nobody is capable of doing it. Shiksha Patri is perennial and it will remain so for time immemorial.

We have received this Dev and nobody even myself has any capacity to describe importance of our Dev. We are His children. So cherish pride in your heart for this fact. You may be doing anything at your home. But for Sampradaya, principles of Dev would be applicable, there would not be any deduction in it. Another thing, those temples with dome or Harimandirs which are still being run independently, please ready the law book of the Trust Act, 1915. There have been so many allegations so far and we had to work hard for it. And the end of the day, we have to file the return (documents in writing). Trustees have been sitting here. We do not get any royalty by granting any authorized dealership. On the contrary we give the royalty. Is it not our responsibility to see that, these temples may not mislead our children? Have you executed the papers of your house in the name of any other person? How carefully you preserve them? You must be preserving it in a treasury with a lock. When the papers of your property are clear why do you tolerate incomplete and unclear papers in respect of the property which belongs to Dev? If you have any confusion, just contact me directly. Recently an issue had cropped up in respect of Vasai Dabhla temple. I asked P.P. Swami to come to me

SHREE SWAMINARAYAN

with the devotees and the matter was resolved in five minutes. When we consider ourselves of Dev what's the problem in being so in reality? So whenever there is Narnarayandev temple and there is board placed outside it, that temple should be of Narnarayandev legally. Whenever there is any complication, come to me directly with advance intimation about the situation and the task because everything has to be set by me. Nobody would return hopelessly. Don't believe if anybody tells you that, H.H. Shri Acharya Maharaj is not available. One should talk while keeping feet on the land and I use the time meaningfully. This is also true and applicable for temples in MuliDesh. Whatever is of Shree Radhakrishnadev, it will be of Shree Radhakrishnadev and nobody will be spared. Those who are not of Dev, I don't consider them My own persons. You have to become devotees of Dev only, Acharya will be yours automatically. Just inculcate this Samskara in your children. Give them principles in inheritance. If we are clear we would be able to preserve our next generations. If You remain devotees of Dev, you will be protected. One gets the facilities and convenience but it demands maintenance of such facilities and convenience.

Secondly, please take care of your health. And therefore only I had been ardently requesting to maintain social distancing while talking in front of Shree Ghanshyam Maharaj. This is not the time to be much relaxed. H.H. Shri Lalji Maharaj has said that first of all our inner self then our mind and then our body would be pure, if would be easier to step up the stairs leading towards Dev.

Everything is there due to Dev. Dev

has made Acharya and therefore there is respect for that position. Tradition of the saints and Haribhaktas has also been established by Maharaj and therefore there is importance of the saints and Haribhaktas. This is Ahmedabad Deshand there is serene peace. Isn't it? So have pride for it. Saints have come from far off places and therefore they are respectable and worthy to be performed poojan. Maharaj has said this is Sabha of Akshardham. If there is vision, you will believe in it. There is an acute need of positivity. If you remove negativity, there would be positivity. This Dev is very powerful and nobody is more powerful!! because while standing at the threshold of the inner temple Maharaj has said there is no any difference between me and this Narnarayandev. And if this red turban is put down it is put down in front of this Dev and nobody else.

We have trust in you and You are our and so all of you will make preparations for Parva. Myself and H.H. Shri Lalji Maharaj are available here for you even at midnight. I will give time considering the situation and work. Work will be done in every respect. Maharaj has also granted respect to the ladies devotees. Nobody can dare to enter Haveli of ladies devotees. Everybody has to preserve this tradition. All of you have to take care (looking at the son of the host devotee) not of business or money but ethics. We want to see smile on the faces of your grand children. In this Sabha elder people are sitting in the front row but in Parva we want to see your children sitting in the front row. Let there be good to all. Parva should reach the house of every person and so be responsible.

SHREE SWAMINARAYAN

SHREE SWAMINARAYAN MUSEUM

Nine goddesses of Arts are known as Muse in Latin language and therefore temple of nine goddesses means Museum and in Gujarati language meaning of word Muse means to meditate, to concentrate, to perform Dhyan. There is appropriate atmosphere to perform Dhyan in Hall No.8 of our Museum and therefore our Museum can also be called Dhyan Mandir.

Upon completion of 10 years of our this Museum having divine atmosphere and so all were excited to celebrate it but the Corona pandemic period is going on and we are lucky that our Museum is open even during such a critical period. It was decided to celebrate 10th Sthapana Deen of Museum with all simplicity and with less number of people. Devotee Shri Janakbhai Gokaldas Patel rendered the services as the chief host of this occasion and including co-hosts and other well-wisher host devotees total 250 host devotees availed the benefit of Samuh Mahapooja.

Upon entering the Museum premises, a list of Things of Prasadi worthy to see in the Museum was placed upon four display boards made of different metals. After the concluding ritual of Samuh Mahapooja, Sabha was organized while maintaining social distance in an open space behind the Museum wherein H.H. Shri Mota Maharaj granted blessings. Thereafter, about 1200 devotees availed the benefit of Bhojan-Prasadd. In the Museum premises there are 100 solar posts due to which there is light in all the parts of Museum free of cost.

In the Museum premises, all the devotees had worn mask but behind this mask was shining face of an ardent devotee of Shree Narnarayandev.

(FROM THE BLESSINGS OF H.H. SHRI GADIWALA, ON THE OCCASION OF EKADASHI SATSANG SABHA AT KALUPUR TEMPLE – HAVELI) 'WHY CAN'T WE FEEL SO AFFECTIONATE WITH BHAGWAN AS WE SHOULD?'

(Compilation : Kotak Varsha Natvarlal – Ghodasar)

'Bhag' means Aishwarya and 'Van' means Yukta that means Aishwarya-Yukta means Bhagwan. There are six types of Aishwarya and there are in abundance with Bhagwan. 'Gyan', 'Virata', 'Shree' means Laxmi, 'Yash', 'Saundarya', 'Vairagya'. Anant Matra means 'Asim' there is no boundary of it. Despite having these six types of Aishwarya without any boundary, Bhagwan does not cherish 'Aasakti' towards them. There is complete Vairagya and therefore He is not bound or tied by His own Gunas. There is complete 'Vitarag' and therefore Bhagwan is so great. We cannot go close to Him and therefore we can't feel so affection with Bhagwan as we should. We are not afraid of Bhagwan but we are overwhelmed and awed by 'Taap' of His Aishwarya because we do not have Gunas in us like Him.

Just as we like the sun light. But what would happen if we go closer? We would feel unbearable heat and if we go closer we would be burnt to ashes. Why? Because if try to achieve more than we deserve, we would face difficulties. So what should be done if we want to go closer to Bhagwan? There is only one way – one solution. We have to inculcate noble qualities in us as we see in Him. We have to make ourselves deserving and the second way is to perform Bhakti while cherishing Sakha-Bhav. This second way is comparatively easier. If we want to become the President of the country, we have to pass through so many stages, we have to meet certain persons and take their appointment and then only we can meet only for five or ten minutes. In stead if there is

friendship with you, just take time on phone and you will get the time and your work will be over. So we have to simply forget the gigantic Swaroop of Bhagwan and we have to consider Him as our friend. That does not meant that we would not observe discipline or would not observe Maryada of Bhagwan. Simply we have to cherish the feeling that Bhagwan is of all the people. He is Adhipat of Anantkot Brahmand and so we also have got the right over Him because we are His ardent devotees.

Just as a procession of the king is passing and the people of his kingdom perform Darshan from a distance and they cherish the feeling that the king is of their kingdom and they are the people of the kingdom of this king. Who knows better a king than the people of his kingdom? Why? Because they obey his directions, they render their services to him. And the friends of king know him better than his servants. Because friends know each other's nature and there is selfless affectionate between them. The prince of the king plays in the lap of the king. Nobody else can dare do it. In order to play in the lap of the king, one has to take birth as the prince. Except this, if the king allows others to play like this, it is mercy and benevolence of the king. There is only one king but his relations with others are different. Similarly, there is only one Bhagwan but the devotees cherish and keep different relations with Him. But it is better to have relationship with love and affection. If we cherish Sakha-Bhav with Bhagwan, we can go closer to Him. In the great battle of Mahabharat, Arjun was Sakha of Bhagwan and therefore Bhagwan became simple and became 'Sarathi' of his chariot. But when Bhagwan granted him Darshan of Vishwaswaroop, Arjun was got frightened. Gandivdhari Arjun was a great warrior but here he also had his limitations and Arjun told Bhatwan to wind up Virat Swaroop

SHREE SWAMINARAYAN

Darshan and to grant him Darshan as Sakha-Roop. So there are two Swaroop of Bhagwan. One is Virat Swaroop and another is Madhur Swaroop. So if Bhagwan grants Darshan of His Virat Swaroop with Aishwarya, nobody can go closer. And therefore Bhagwan hides His competence. So we also have to forget Virat Swaroop of Bhagwan and should perform His Bhakti considering Him as our Sakha. Why? Because we are complete with our ignorance and how much is 'Karuna' (mercy) of Bhagwan upon others. But we cannot understand Him. So if we cherish the sense of belongingness we can move ahead easily. A person may be an officer with high rank. But for his mother he is her son only and the mother cherishes the feeling towards him as his son only. For her, he is not a big senior officer, for her he is her little son only. She would think that, first of all he is her son. Where there is self of belongingness there is no 'Buddhi'. Here there is only 'Prem' (affection) and 'Lagani' (feeling). So we have to cherish 'Prem' while remaining as friend. Why? Because those who have expressed love and affection they have surrendered. There is voluntary 100% surrendering when there is love and affection. You love your family and you do as per the wish and desire of your family members. If we can cherish such a love and affection towards our family members, why can't we do the same with Bhagwan? But we have to be careful in only one respect and that is if we want to obtain complete love and affection of Bhagwan we have to become completely pure. Our inner self should be serenely pure. If your child is dirty, first you will wash his hands, legs and face and you will clean him and then only you will play with him and take him in your lap. So in order to cherish love and affection, we have to consider Bhagwan as our own. If there would be love and affection, surrender would come automatically. Where there is love and affection, nothing else is required.

In the knowledge given by Bhagwan, right from the beginning till the end suspicion of Arjun could not be removed. At last Bhagwan said in 64th Shloka of 18th Adhyay, "As your 'Mitra' (friend) I tell you this – surrender your 'Maan' and 'Buddhi' to Me."

And then 100% surrender came.

So we also have to accept such type of complete surrendering and we have to continue to perform our Bhakti of Bhagwan. There is never Purnahuti (end) of Bhakti. When Fala (result) is obtained Karya of Karma is over. What is Karya of Gyan (knowledge)? It removes Agyan (ignorance) and then Karya of Gyan is over. But Bhakti never leaves us. We start our journey with Bhakti in order to obtain Parmatma and this Bhakti-Bhav is converted into Bhakti. And thereafter it is converted into Prem Bhakti and through it 'Bhagwat Prapti' is achieved.
