# માર્ગદીયમ्

Dear Devotees,

During the pious Dhanurmaas, all the devotees and Haribhaktas performed Dhoon very much with great enthusiasm in the pious SabhaMandap of Prasadi. ShreejiMaharaj has constructed this temple for this purpose only and it is being materialized. H.H. ShriAcharyaMaharaj and H.H. ShriLaljiMaharaj and we all are very much happy to note that the young children and youngsters remained present early in the morning and performed Dhoon.

We all celebrated divine Shakotsav in our temples. You must be remembering how all our devotees and Haribhaktas celebrated divine Shakotsav during Dhanur Maas in the pious company of Shree Narnarayandev and enjoyed and relished Prasad of Undhiyu and Jalebi. Shree SwaminarayanBhagwan Himself wrote pious ShikshaPatri in Samvat 1882 on the pious day of MahaSuddPanchmi - VasantPanchmi. Now in Samvat 2082 it would complete 200 years. Every year we have been celebrating Samaiyoof VasantPanchmi in Muli. Now H.H. ShriLaljiMaharaj has made an announcement that in the 200th year of ShikshaPatri, grand Samaiyo will be celebrated in our Satsang from 23/01/2026 till 27/01/2026. We have to think whether we are following the directions off ShreejiMaharaj or not and 'ShikshaPatri' is our invaluable and the most precious ornament. Maharaj has given us in writing : how to live life, purpose of human life and philosophy of Upasana.

What is the purpose of birth in this world? Maharaj has given directions to all Satsangis to behave cautiously while following 'ShikshaPatri'. Meaning of human birth would be realized only through Dharma, Artha, Kaam and Moksha and it is possible only through following 'ShikshaPatri' in letter and spirit. So let's celebrate this ShikshaPatriDwishatabdiVarsh in such a way that uplift ourselves in our life !

Jay Swaminarayan to all devotees and Haribhaktas.

Shree Swaminarayan Bhagwan decided to construct grand and great temples to install deep pillars of AtyantikKalyan and to continue SarvopariUpasana incessantly. As per His Sankalp first of all Swaminarayan Bhagwan got constructed a great temple with dome in Ahmedabad through Anandanand Swami.

Pratistha of this temple was performed on the pious day of Fagan Sud-TrijSamvat 1878 on Sunday 24/02/1822. In the central inner temple idol images of Bharatkhand Rajadhiraj Shree Nar Narayandev were invoked and opened the Sadavrat of Moksha. Innumerable devotees availed the benefit of performing divine Darshan.

On the same day in the evening Shree Swaminarayan Bhagwan called Muktanand Swami, Gopalanand Swami etc. great saints and told that though we have got ready this temple but we want to develop SewaRiti and Bhaktibhaavna as per Vaishnav tradition. In Vaishnav tradition Sewariti and Bhaktibhavana of Vitthalnathji the son of Vallabhacharyaji Maharaj is very much dear to us. But if we adopt the method of waking up and sleeping the deities then we should create Padas of Prabhatiya and Podhaniya so that special Bhakti Bhavna is developed in all the devotees. How shall we do it? What is your opinion? All the great saints happily accepted this proposal of Swaminarayan Bhagwan and the tradition of SewaRiti as per Vaishnavi tradition started in our temples.

SHREE SWAMINARAYAN

## PODHE PRABHU SAKAL MUNI KESHYAM

- Sadhu Purushottamprakashdas (Jetalpurdham)

Thereafter Shree Hari asked Muktanand Swami to create one Prarthnatmak Podhaniya because Bhagwan is to be offered sleeping Pada on the very same day. Then as per the directions of Shree Hari Muktanand Swami created this Nutan Podhaniya in Bihag Raag at Sandhya time on the pious day of Fagan Sud-TrijSamvat 1878 namely "Podhe Prabhu Sakal Muni KeShyam"; and when it was time to offering sleeping to deities at night Muktanand Swami sung this Pada in the pious presence and in front of Maharaj. Swaminarayan Bhagwan and all the saints and devotees were very much happy.

Thereafter Swaminarayan Bhagwan addressed Sabha and told that Muktanand Swami has created this Pada exactly as per our wish and imagination in our heart. There is great importance of Bhagwan ardently described in this Pada and so now all shall sing this Podhaniyu cherishing ardent love and affection in the hears and we shall be very much pleased.

This Pada of Podhaniyu is Prasadik since the time of ShreejiMaharaj and as per the directions of Shree Hari this Podhaniyu is being sung by all the devotees at night in each and every of our temples. All the devotees should also sing this Podhaniyu in front of the deities of their GharMandir every night. When this Podhaniyu is sung cherishing ardent feelings in the heart, Bhagwan Himself comes in the heart. Since then in all the nine great temples of the time of Shree Hari it was started to sing this Podhaniyu after NityaNiyam and thereafter a tradition of singing this Pada also started in saint Mandal of HariMandirs and today this Podhaniyu is being sung in the whole Satsang.

Ishta dev Bhagwan Shree Swaminarayan Bhagwan got constructed the first ever Shree Swaminarayan temple of the world in Ahmedabad and invoked the idol images of Shree Nar Narayan dev on the pious day of Fagan Sud-3 Samvat 1878 and opened up Sadavrata of Moksha for all Mumukshus Jivatmas and performed Shuddha Sankalp of offering meals to Brahma dev and accordingly Brahma Choryasi was organized on the pious day of Fagan Sud-5.

There is great and wonderful description of this Brahma-Choryasi in the

scriptures of Shree Swaminarayan Sampradaya. During those times, it was considered to be a very rare and pious thing to organize such a divine Choryasi. Even today while moving around on the bank of Kankaria lake one feels divine peace and serenity which is permeating throughout and therefore it is being experienced divinely. Shree Swaminarayan Bhagwan is present in each and every iota of the pious land of Kankaria and our Shree Balswaroop Kastabhanjan dev temple and Shree Swaminarayan temple of Kankaria is an evidence of it.

# BLESSINGS FROM 7<sup>TH</sup> AND 8<sup>TH</sup> HEIR OF SHREE HARI

- Compilation : Gordhanbhai V. Sitapara (Hirawadi, Bapunagar)

**H.H. Shri Maharaj : On the occasion of 7<sup>th</sup> Varshik Patotsav of Panchvati Kalol temple, 09/12/2024** : This is the way and method of this world that those who work are ours. P.P. Swami talked about the land and it is basically a very good thing.

The British Government was not directly involved in running our country India. The British Government had engaged East India company and their behalf this company was running our country. There was great impact of Maharaj upon all. When the officers of the company first met Maharaj, they asked Maharaj whether you have any Muth or not. When so many nice activities are being conducted by you then we offer you as much of the land as required by you. Maharaj replied that even the handkerchief held in the hand has got the weight. To preserve the handkerchief and when it is dropped from the hand, picking up the handkerchief is in itself maintenance. We all sing about nature of Maharaj in Padas of SwabhavikChestas. We also listen them in Vachanamrit and LeelaCharita. Witnessed the huge crowd off the people during PratisthaMahotsav of Ahmedabad temple and in order to deal with Upadhi of Choryasi, Maharaj hid himself in Rayan of Ganesh Dholkaupn completion of Utsav. In our language to detox Himself. Now something new like this

is in fashion. To detox the body i.e. in simple words purification of the body and mind. We want peace by going away from the crowd of the people but in fact this is Leela of Maharaj to abstain from the pride of doing something even after successful completion of Utsav.

Sankalp of Mandir was cherished by Maharaj and so the land of Kalupur temple was given. Maps and original documents of the land of that time are with us which we have not opened for all. From Kalupur railway station till SidiSaiyadJali all lands are ours. But as Mahant Swami just told, if we do not remain vigilant everything would be gone. All of you know this history. When the land was finalized the officers told that the land would be offered for the lease of 99 years. Maharaj refused to accept this condition. Since the company officials had only that much authority and powers, they sent a letter to the Queen of England and thereafter signature and seal of the Queen of England were obtained and appended upon the land documents. These papers are with us. It was full-proof system of Maharaj!

We have to learn a lot from this. Letter of the time of Choryasi organized by Maharaj is with us and it is kept in our Museum. But most of us casually visit Museum, perform Darshan of H.H. ShriMotaMaharaj and return home while gossiping. In fact these letters of Prasadi are

worthy to be read and studied. There is an idea being mooted to magnify these letters to make them easily readable. When Maharaj organized Choryasi, all the leading devotees were ardently directed that whenever they would obtain the groceries from the businessmen, they will have to be informed that they will have to accept the unused grocery items. How careful and meticulous the arrangement! One should be very much careful and meticulous in the smallest of things because everything is of Dev and of Bhagwan and we have been performing His Bhajan and we believe Him to be Sarvopari and we perform Smaran Pooja everyday in the morning and our existence is due to Him.

Devotee Prahladbhai has been sitting here. What was the condition we witnessed in Karjisan? What was the condition in Mokhasan? There are 25 more such examples. What would you do if somebody takes away your belongings? One can earn money if the wallet has been pic-pocketed but faith and trust cannot be earned like money once they are stolen. Maharaj has maintained this Satsang with utmost care and caution. While issuing directions in the pious 'ShikshaPatri' Maharaj has uttered and written two important words. One should follow our directions with utmost love and affection and care and caution. We have to do this only.

Our temples are there for us so that we can have right direction, we can preserve our Samskaras. From our temples we come to know about our direction. Mala has been offered to male Haribhaktas but how many of them have been performing Mala? You may kindly handover them to the section of ladies devotees because in fact these ladies

devotees have been performing Mala. મંદિર એટલા માટે છે કે મંદિરથી આપણે દિશા પકડી શકીએ છીએ. સંસ્કાર જાળવી શકીએ છીએ. મંદિરથી આપણી ગતિ કઈ બાજુ છે એની ખબર પડે છે.

Bhagwan would not come if our mind roams anywhere and everywhere while performing Mala. Mala is a means and not the goal. We should always remember that the means can never be a goal.

Gopalanand Swami, Muktanand Swai, Brahmanand Swami, Nityanand Swami, Gunatitanand Swami etc. saints were sitting and Maharaj asked how many Malas have been performed so far? Then the saints replied that it would be far better even if one complete Mala is performed! The saints told the innocent truth. Otherwise everything is done in this world. everything new has been termed as miracle and scriptures start being written on the miracles. People have been so much playing with the mind through newspaper, mobile, television and social media that one does not get enough time to think with intelligence and prudence. Today people do not have time for others. They do not have time even for themselves. If for some time a person sits alone, it pricks himself!

I always cite the example of Mokhasan. There a mirror has been placed exactly in front of the idol images of Shree Radhakrishnadev in the temple. It has been placed there to see and realize and to become conscious where am I standing. We went inside the temple and came out of the temple, and the mirror has been pleased to see and comprehend whether any change has occurred or not. We are very lucky that we have received such temples, such saints and such Haribhaktas. For the last three

days we have been moving in this area, Vadu and Gandhinagar and nearby areas. We all are meeting each other and there is a pleasure in it. All of you have been cherishing ardent love and affection towards Satsang. We have to hand over this to our children – the future generation. We do not have to apply our mind because Maharaj has written 212 Shlokasin the pious ShikshaPatri. Everything is done if we remain under the directions of Maharaj. We get detoxed by performing divine Darshan of Bhagwan. our mind, intellect and nature all are purified by our temples. Temples are our spiritual nourishment.

All of them deserve praise. Yagnaprakash Swami is highly active. He is in Turbo-mode in America. All our saints are in Turbo-mode. Narayanprasad Swami is an elder saint and then also he is in Turbo-mode. He has been performing vicharan in the villages and has been nourishing Satsang in the devotees of these villages. Even Haribhaktas are also in double Turbo-mode because it is not a small thing to organize Utsav-Samaiya. It is very difficult. All the saints especially Uttam Swami has been preserving Satsang through Katha-Varta and thereby he has been preserving all of you. All the saints have been performing Vicharan in the villages. I like the villages very much but the villages have been vacated. But it is good that Utsav, Samaiya and Katha-Vartas are still being performed and organized in the villages.

Just see to it that our land, birthplace and the place of our elders, the roots of our Satsang are preserved and our temples are preserved. It is necessary. We do not have to take anything. Our clothes, car etc. are of Dev. You may verify this with the registration

number of the car. Now it is available online and this is an Open Offer. Billing of blood and billing of breath is also issued in the temple. What is ours? In fact everything is of Acharya. Just read DeshVibhagLekh. Everything is the personal property of Acharya. Sadhu, Brahmchari, Pala, Haribhaktas any of them should not make any claim in this regard at any time. Then also what have we kept with us? Where to move carrying all this burden? Whatever was personally ours has also been left and forsaken. We have kept Bhagwan with us and everything is included in it. If we would not have kept Bhagwan with us, we do not know where we would have been. There is divine happiness in offering anything to Bhagwan. today I am happy, we are laughing and speaking and the reason for this is that Bhagwan is here sitting with us and so we need not worry about it. We have to simply work hard. Everything is of Bhagwan. You do not have to give in writing your shop and house because they are your requirements. And how would Dharmado come if they are not there with you? You have been offering Dharmado and you have been contributing in every respect then only temples and Utsavs are being organized in the world.

It is an humble prayer at lotus-like feet of Shree Narnarayandev that we may keep on get together and do such things by which we obtain pleasure of Bhagwan.

**H.H. Shri Lalji Maharaj, on the occasion of Shrimad Bhagwat Panchanh Katha, Moyad, 20/12/2024 :** Swaminarayan Bhagwan has blessed us all and has given us Satsang and then it becomes the duty of all of us that we remain ardently attached with Satsang and always

remain under the directions of Bhagwan.

Bhagwan has made it clear to us as to what should we do and what should not we do. How to live our life and how not to live. From where should we take Prasad and from we should not. Which type of Murti should be worshipped and which should not be worshipped. Sang of which people should be performed and of which person we should not. Everything has been made transparent. But nowadays people believe in complicating the things which are simple.

No any other Sampradaya is as simple as our Original Swaminarayan Sampradaya. Original Sampradaya is very transparent and there is no any wrong agent or there is no any hidden agenda. All the means have been given by Bhagwan by which Bhajan and Bhakti and Katha Varta of Bhagwan can be performed. Kalyan of Jeev is the only and main objective in Swaminarayan Sampradaya. Maharaj has given the facility to ensure happiness for all in this Lok and Parlok. It has been received very easily so it is our pious duty to remain ardent devotees of Bhagwan and to remain under the directions of Maharaj. Maharaj has given us ShikshaPatri. Vachanamrit is Para Vaani of Maharaj. Maharaj Himself has said that Our Vaani is our Swaroop. So let us listen, read and understand all these pious scriptures and remain firmly attached with the principles of our original Sampradaya. This is important because the present time is such which takes a person away from

Satsang. Social media is not bad but there is overload of information. Question and confusion arise as to what is to be believed or what is not to be believed. Therefore it is very difficult for those who are new in Satsang. Scriptures have been offered by Bhagwan and so one should read those scriptures which have been given by Bhagwan and which are being narrated by the saints who have obtained Diksha from AcharyaMaharaj.

200 years ago when Maharaj established Sampradaya then Maharaj knew that the time which is prevailing today is going to come. Just think, today we have to use the words 'Original Sampradaya'. Maharaj has made all the arrangements and has given all the facilities by which we remain attached with the principles of original Sampradaya. Scriptures have been given by Maharaj. All the directions have been given in clear terms and nothing is required to be added or reduced from it. Simply we have to remain under the directions.

We should express our gratitude for the things which we have received so easily. We should remain in Satsang cherishing Gun-Bhav, Gun-Buddhi and mutual love and affection. We are very much happy to come here because though this village is small but Satsang of the devotees of this village is big and devotees of the village residing either in the village or abroad are ardent devotees of our Sampradaya.

## SADRA - VASNADESH : OUR HARI TEMPLES AND PLACES OF PRASADI

- Bipin Patel, Gandhinagar

Shree Hari has sanctified the soil of Gujarat. Earlier we have relished the importance of the villages of Prasadi of Dehgam and Vasna Rathod. Now let us know the importance of the villages Pardholand Sonarada.

**(1) Pardhol:** While going ahead after performing Darshan at village Vasna Rathod at a distance of about 6 km village Pardhol is situated on Naroda-Dehgam road.

With the directions of H.H. Shri Acharya 1008 Shri Koshalendraprasadji Maharaj and under his supervision and guidance, Shree Swaminarayan temple, Pardhol has been constracted. Very beautiful Hari-mandir just like a temple with dome has been made. Pratistha of deities in Pardhol temple has been performed by H.H. Shri Acharya Maharaj on 05/12/2023. In the center of the throne Shree Ghanshyam Maharaj and on right side Shree Narnarayandev and on left side Shree Radhakrishnadev have been invoked.

Village Vahelal of Prasadi is situated near to Pardhol which has been included in KanbhaDesh and its importance is also great.

Now let us understand the importance of Nutan Shree Swaminarayan temple, Sonarada situated in the village Sonarada.

**(4) Sonarada :** At the distance of about 4 k.m. from Pardhol village Sonarada is situated on Naroda-Dehgam road. History of Sonarada is also golden like the gold. Muktanand Swami came out victorious in Dharmasabha of Vadodara. Maharaja Sayajirao of Vadodara had

specially invited. When Shreeji Maharaj converted the robber Joban Pagi into a satsangi devotee, Maharaja of Vadodara was very much impressed and after performing divine Darshan of Shreeji Maharaj, two elephants were offered in gift. When Shreeji Maharaj told that himself being a Brahmin how these two elephants would be maintained, Maharaja of Vadodara offered two villages in gift to Shreeji Maharaj. One of these two villages is this village Sonarada and another village is Isand situated near Kalol. Sayajirao Maharaj told Shreeji Maharaj that from the income produce of these two villages, the two elephants can be maintained. Thus, importance of this village received in gift by Shreeji Maharaj is unique. Upon entering the village a beautiful entrance gate has been made by the temple.

With the directions and supervision and guidance of H.H. Shri Acharya 1008 Shri Koshalendraprasadji Maharaj, Nutan Shree Swaminarayan temple, Sonarada has been constructed. Pratistha of deities in the inner temple has been performed by H.H. Shri Acharya Maharaj on 17/01/2023. In the center of the beautifully carved throne there is idol image of Shree Ghanshyam Maharaj and to its right side there is Shree Narnarayandev and to its left side there is Shree Radhakrishnadev granting divine Darshan. A beautiful community hall has also been made in this temple. Today this hall is being very much useful for Katha-Satsang and during social occasions.

It is worth to avail the benefit of divine Darshan of new grand temples in these beautiful villages.

**For the convenience of all Haribhaktas and with the pious Sankalp of H.H. Shri Acharya Maharaj and Dharmkul from this year onwards now New Sthapana Deen of Shree Swaminarayan Museum will be celebrated on 29<sup>th</sup> of March every year.**

Recently all of us heard in Katha that there is such a divine pleasure in each and every hair and part of body of Bhagwan. just think Chhapaiya is the birthplace of Bhagwan. so the moment we got there and place our leg on the pious land and by performing divine Darshan of Murti of Balswaroop Ghanshyam Maharaj we feel divine serenity and all our 'Sankalp-Vikalp' are stopped. So how would be experience when we would meet Maharaj face to face! For that we need to be pure and the specialty of our mind is that one mind is affected by the atmosphere and started thinking accordingly. When this Jeev enters into this world, there is 60% SattvaGuna. RajoGuna and TamoGuna are much less compared to SattvaGuna. But over a period of time through captivity of rope of Prakruti this Jeev gets tied in this world and we see mainly four conditions of human beings in such a situation.

(1) MudhAvastha : There is prominence of TamoGuna in the people having MudhAvastha. They are lazier due to TamoGuna. They like the meals very much. They sleep much and they do not like to do anything.

(2) KshiptaAvastha : In the people having KshiptaAvastha there is prominence of RajoGuna. They cherish the desire to increase their Aishwarya. They like to remain engrossed in wealth, property and Vishay Bhog. Mind of such RajoGuni people does not remain stable. Their mind is very active and agile but in worldly matters.

(3) VikshiptaAvastha : There is prominence of SattvaGuna in the people having VikshiptaAvastha. Even such people also do not remain stable in their mind. When they sit to perform Dhyan, their mind starts remembering the old things and incidents. Resultantly their mind becomes disturbed and yet Chitta of such people remains concentrated in Bhagwan. and so their Karma Bandhans get loosen and their Kalyan becomes easier.

(4) NirodhAvastha : People who are above all these three stages of mind their S a m a d h i i s k n o w n a s SarvatitUnmatAvastha. But it is very difficult to achieve this state of mind in this Kaliyuga. With the blessings of Shree Narnarayandev, one can achieve this NirodhAvastha.

All of you are sitting here because all of you are SattvaGuni and all of you do everything viz. Darshan, Pooja etc. and yet in certain condition or situation the mind gets disturbed because we are living in this world of Maya and Maya is going to create obstacles in life. We have received Shree Narnarayandev in our life and He is Kalpa-Vruksha for all of us. We get everything we demand. The people who roam somewhere else leaving Him are fools. So our Upasana should be Shuddha. And for that we have to keep our

inner-self pure. Because even deities like Brahma are craving for Satsang and this Satsang is received by us very easily. In order to remain worthy of blessings of Shree Narnarayandev we have to make constant efforts. We should become worthy that we can see in the divine Darshan, you will remember Doshas lying within you and this is good. Bhagwan gives you a signal that these are your Doshas and you need to come out of them. Bhagwan explains you that you have uplifted yourself but there are some Doshas in you and He inspires you to get rid of them. Thus Bhagwan gives us an opportunity to improve upon our mistakes and so we should grab this opportunity. This Satsang is such a divine path where all other roads meet. This is a highway. In Navadha Bhakti in Satsang, everyone gets Bhakti of one's own choice and so while controlling our mind and being hard towards our self we should perform Bhakti.

You may have heard that people who are doing wrong in this Kaliyuga become happy in their life. But if you look into their lives minutely this is not true. On the contrary they are disturbed and are not happy with whatever they have. We need to destroy the sin from our life. And this is the greatest message we get from Shree Krishna Bhagwan in Krishna Avatar. Bhagwan has told that the common people will follow the conduct of the great people. So we need to destroy Adharma and to protect Dharma. This is the greatest lesson we need to learn from the history. Karmas are being performed as per Kaal and Prarabdha is made as per Karma and one gets result as per Prarabdha. And they cannot be avoided. Only with the blessings of Bhagwan Shree

Krishna such Prarabdha is forgiven. So if there are blessings of Shree Narnarayandev all our offences are pardoned and so we should keep on performing Bhajan and should be vigilant and alert that no any wrong Karmas are committed by us. By doing such actions by which prominence of SattvaGuna is increased, we have to continue our constant efforts of obtaining the blessings of Bhagwan.

### SHREE HARIVANVICHARAN :AYODHYAPURI

- LabhubenManubhai Patel (Kundal)

House of Ayodhya is very delicate and clean. As per Hindu Dharma, there is Paniyaru in the verandah and there is a set of water-pots on it and there is a place of Vidhna Vinayakdev Ganpati Maharaj. Shree Hari has performed innumerable Leela in Ayodhya. Wherein in stead of ring of SuvasiniBai sweets were relished at the shop of Sukhadiya. The cooks were surprised to witness this. Now Ghanshyam intends to abandon house and for that he has been waiting for a pious day. Prior to performing GrihaTyag divine Gati has been granted to the parents and two Shlokas have been explained with meaning which are essence of SatsangJivan. Thereafter He performed Prarthna to GanpatiMaharaj so that there are no obstacles during Vanvicharan after GrihaTyag. So every person should perform Prarthna to Ganpati Maharaj to remove all miseries which may come in life. By performing VanvicharanKalyan of crores of Jeevas is to be done. So on the pious day of Ashadh Sud-10 Friday Samvat 1849 in the early morning Shreeji Maharaj started

Vanvicharan wearing Valkal and carrying ShaligramBatvo, Gutko, Tumbadi, string, water-siever, PalasDand, MunjMekhala, mala, Janoi, Kopin and MrigCharma. Really great is such a Tyag at such a delicate age.

(1) “ક્યાં બાળપણાની રમત, ક્યાં પામવો સિધુનોમત.”

(2) “ધોર અંધારી રે રાતલડી, પરોછિયાની કોર,  
નીકળ્યા રે, નીકળ્યા રે વનવિચરણને કાજે ધર્મકિશોર.”

ભાંગવા ભાંગવા રે, પર દુઃખ ભાંગવા, ભાંગવા ભવનો  
રોગ.

In order to grant blessings to all JeevatmasBhagwan has performed Grihatyag and has entered in the forest.

## LIFE OF JIVUBA

### - VinabenNarendrabhaiThakkar (Bopal)

EbhalKhachar of village Gadhada of Bhavnagar district had two wives. (1) Surprabha the daughter of Raja Nagar of Kariyani and through her Jivuba-Laduba, Panchuba-Nanubawere born. (2) Somadevi the daughter of Raja Rangami of Botad and through her Dada Khachar was born.

Two three babies of Surprabha died immediately after birth. Only Jivuba survived and so she was named 'Jivuba'. As she was born on the pious day of Poonam, her second name was Punamatiba. She was the eldest among all the children. Third name was Motiba and fourth name was Ja.

Right from early childhood Jivuba was an ardent devotee and so ShreejiMaharaj had offered her small Swaroop of Balmukund. This Jivuba was rendering ardent services to BalmukundSwaroop. Looking all this EbhalKhachar said to her that at this age she should play, dance, eat, drink and enjoy. This pooja and worship are

good at an elder stage of old age. But Jivuba was firm and she replied to her father that there is no guarantee of this life and one should keep on performing Bhakti right from the early age.

તાતને ન ગમતુ લગાર, તે પણ નમ્યા વારમવાર ॥

ધન્ય બાઈ તમારી ભગતિ, ઘેલાઈમાં મેં ન જાણી

ગતિ ॥૧૪॥

When Jivuba became young, she was got married with HathiyaPatgar the son of Amara Patgar the Gamdhani of village Kundal. But Jivuba prays to Maharaj that in Treta Yuga she has got married with Ramchandra as 'Sita' the daughter of Janakraja, in Dwapar Yuga she has got married with Shree Krishna as 'Rukmani' the daughter of Bhishmak raja and in Kaliyuga she has got married with Shree SwaminarayanBhagwan as 'Jivuba' the daughter of EbhalKhachar. The moment the husband enters the room of Jivuba, he feels as if a Nagan (snake) was there and so Raibai and Amara Patgar sends of Jivube to Gadhada in Velada.

Thus Jivuba was incarnation of Laxmiji and by rendering devout services to Maharaj and by preaching sermons to Ladudan and his eyes were opened and Shree Hari granted him Diksha and was given the name Shrirangdasji.

Shree Hari granted newe vision to Jivuba. Jivuba could see all the Leela being performed by Maharaj. Adibai of Panchala had studied 'Sati Gita' from Jivuba. When RatanbaiBhavsar of village Gadhada came to perform Darshan of Motiba.

This Sankhya Yogi Karmayogiand incarnation of LaxmijiJivuba passed away to Akshardham in JethMaas in VikramSamvat 1916.
