# અસ્મદીયમ્

Dear Devotees,

Have we ever sincerely pondered over anything? Maharaj Himself has not written any scriptures. The saints have certainly created the scriptures and Maharaj has also approved them.

Only 'Shiksha Patri' has been written by Maharaj. Why was it required to write? Do you know? Maharaj was cherishing ardent love and affection towards His devotees. He was very much concerned about the devotees. My devotees... નિજાશ્રિતાન્, મદ્ડપાશ્રિતૈઃ મમાશ્રિતૈ ?

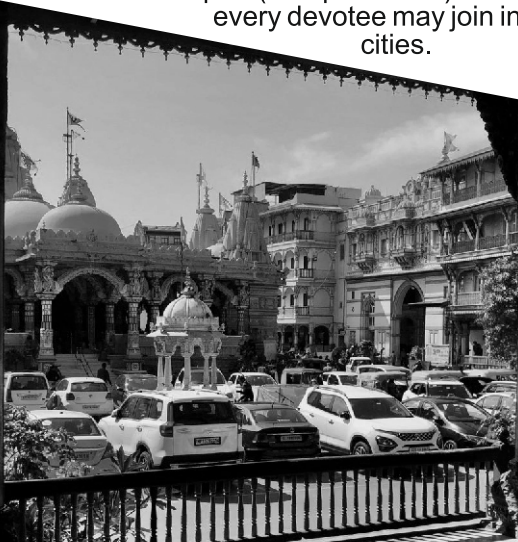

It is but natural that to wish good for those who are loved the most. How to do good for my devotees? How can they be benefitted? Shiksha Patri was written for this purpose.

When to wake up in the evening? What activities and actions to be performed? What should be our conduct? This Jeev, Maya, Ishwar, Parabrahma etc. in short everything has been told.

Maharaj has explained to us Agnya and especially Upasana. If any of your friend wishes your good, then he would give you true and genuine advice in life. But here SarvavatariPurnaPurushottam! So profound advice has been given that nothing has been left out and one would become happy in this Lok and Parlok. By following the directions contained in this pious 'Shiksha Patri' whosoever devotee or Haribhakta would observe Niyam firmly, they all would get Dharma, Artha, Kam, Moksha and such a blessing has been given by Him in the pious Shiksha Patri.

Now the question comes are we the ardent devotee and follower of Shreeji Maharaj? Are we desirous to observe all the directions and wishes expressed by Maharaj for living a life? There are two pillars of Sampradaya. Agya and Upasana.

In connection with Samaiyaharibhaktas, Kothari, Shree NarnarayandevYuvak Mandl have been conducted Shiksha patri. Satsang Sabha, social activities like Swacchata Abhiyan, VrukshaRopan (tree plantation) etc. So it is our special recommendation that each and every devotee may join in such activities being conducted in our villages and cities.

Directions have been written in Shiksha Patri and temples have been constructed for Upasana. If we perform Upasana of the deities invoked in these temples and follow the directions of Shiksha patri in letter and spirit then our life would become meaningful.

On the next pious day of Ashadh Sud-15 Guru Purnima, all the devotees and haribhaktas are cordially invited to come in our Kalupur temple to perform Guru Poojan of our H.H. Shri Acharya Maharaj.

**One male and female devotee should not indulge in any immoral conduct and should abandon addictions like gambling and should not consume any intoxicating substance. (18)**

Commentary : Immoral conduct, addiction, gambling, consuming tobacco and any intoxicating substances are generally prohibited in all the religions. Here it is the direction of Bhagwan that one should not indulge any immoral act or conduct – male with female and female with male. This is especially so when one has become an ardent devotee of Bhagwan Shree Swaminarayan. It has been stated in the great epic ‘Mahabharat’:

“मनसापि प्रदुष्टेन ये पश्यन्ति परस्त्रियम् ।

रोगार्ताः ते भवन्तीह नरा दुष्कृतिकारिणः ॥

In HaritSmruti illicit relations with another woman has been considered to be a sin equivalent to Brahma-Hatya. It is indicated here that, one should cherish such thoughts even in the mind. A man with prevent mind may argue and pause counter-argument whether is it a sin to have relation with a harlot. The answer to this argument is that, it is even greater sin because in the scriptures such relations have been termed as liable to be punished.

Today the effect of the western culture, mobile, films have been so widespread that one observes a lack of discipline to some extent in this regard at some time among the youth. The community which does not have ethics will perish over a period of time. During the Middle Age, there were strong countries like France but there was deterioration of morality in the French people at that time and the result is the fall of France. It is in the interest of the society and individual both that the male and female observe piety in their married life and stick to social morality. Persons constantly coming into contact with each other should always remain vigilant and should protect their character as this will preserve social health of the people.

During the ancient times, gambling was considered to be a dire addiction among the Aryas. There is a Sukta in Rigveda wherein a gambler narrates his own story and says how was ruined. Even the kings like Yudhisthira and Nala Raja have fallen

## FROM THE BLESSINGS OF H.H. SHRI ACHARYA MAHARAJ

- Compilation : Gordhanbhai V. Sitapara  
(Hirawadi, Bapunagar)

**Bhuj temple : on the occasion of 401 Samuh Shrimad Bhagwat SaptahPrayan and Narayan Yagna , 03/04/2025 :** Respected saints and dear devotees, Jay Swaminarayan to all. It is a matter of great pleasure that with the desire and wish of innumerable Haribhaktas and with the inspiration of the saints, Samuh Bhagwat Katha is being organized here every year.

Mahant Swami said a thing and it is a fact and I liked it very much and I principally believe in it. Due to Samskaras of our Pitrus, our parents and our elders we have got together here at this place. The fact is that our elders and especially history of Kachchh Chovisi. If we delve into the past then our parents, grant parents all of them have preserved our Satsang wherever they have gone while tolerating starvation. They have done so with a view that their family becomes happy and Satsang is developed and they have worked very hard in the interest of our youth.

It is a matter of pride that

Haribhaktas of this Prant have been first to go to the overseas countries. It was a time when there were no facilities and there was not any place where they could seek solace. They worked hard and even the well-known persons used to suffer all types of adversities of physical work. They have done the work of brick-laying and today they have been offering crores of rupees in donation and in Dakshina. All of them have worked on daily basis but all of them have kept Bhagwan with them all the time and therefore they all are happy today. And this is the fact that this Utsav is for all of us.

Besides all the devotees who are present and sitting here, if we count the devotees who have been sitting at home and watching this Utsav live, the number would be more than 451. All of them deserve all praise because by associating themselves with Dev we cannot get rid of our indebtedness towards our parents and grand parents. Talks and advice of our nand saints and the words of Gunatitanand Swami have been observed

## SHREE SWAMINARAYAN

by all these elder devotees. Nowadays we have all the facilities. At the relevant time our elders did not have any facilities and yet by working hard they have created this great thing. By keeping Bhagwan with them, they have made this beautiful arrangement and so all the elders deserve all the praise for what they have done.

Let us remember our elders. The young generation does not relish it much and they are not interested in it. They get bored if somebody talks about anything of the past and so nothing is to be repeated and yet nothing important is to be forgotten at the same time. A person who has forgotten his past has got no future. So we have to be alert in this regard. Maharaj has said for what purpose we have come here, what are we doing and what is required to be done. A person with such a consciousness is an intelligent person. We are fortunate and lucky that we have received such Satsang. We have received pious company of Dev and we have received all these saints and these haribhaktas. There are Sankhya Yogi ladies devotees and there are young sons and daughters in our family. We need to preserve our rich heritage and our Samskaras and culture.

Just now Swami made an announcement and an idea struck to my mind. Long ago the saints had told that if Shiksha Patri Utsav is celebrated first in Bhuj and then in Ahmedabad then the whole Ahmedabad Desh – Bhuj, Muli and Ahmedabad – may get together and we may see it with pride how much strength do we have. The greatest thing in Ahmedabad Desh is that nobody is

greater than Bhagwan. This is a fact. These saints have been identifying Bhagwan to us. Whatever is there it is due to Bhagwan. Recently a devotee had come from Amritsar and he requested me to bless him. I told him that I do not grant blessings. I pray to Bhagwan that He may make his family happy. All of you are members of our family and our this whole Shree NarnarayandevDesh, Ahmedabad Desh is very much happy and there is peace. And let this peace prevail forever.

It is a symbol that our this Shiksha Patri will begin from Bhuj and will be concluded in Ahmedabad. You will not have to fly in flight frequently. In three-four days one can visit and perform Darshan of deities in Bhuj, Muli and Ahmedabad. This idea came to my mind and I asked the saints to make arrangement in such a way that, all of us can come to know what is our real strength and what is the development and progress of our Ahmedabad Desh. Just now Mahant Swami of Ahmedabad told a thing and this is a fact. Shukdev Swami also talked about Sewashram. Our Siddhant is true, our Parampara is true. We have to do this only.

In the morning Jadavbhai the son of Vashrambapa and who is trustee of Baladiya-Mankuvatold me about the social activities undertaken by our devotees of Ahir community and told me that we want to meet some of the elder devotees. I told him that I would come for sure. Maharaj has not seen any difference of any caste or creed or community. The fact is that Our Bhagwan is our Ishtadevan we should perform Bhajan of our Ishtadev leaving aside all other things. All are

## SHREE SWAMINARAYAN

respectable. One should cherish love and affection towards all. Swaminarayan Bhagwan has given the principle of SarvaJeevHitavah. Now in this principle there is no any exclusion. There is inclusion of all. It includes all – means including all living organisms and living beings such as all animals, birds and all insects. Even the environment has been taken care of. It has been directed not to do farming with bullock on the pious day of Ekadashi. Why? Because even the bullocks need rest. They would get a break. We have forgotten all this. We have our original scriptures and it is a matter of pride for all of us that nobody has done any tampering with them.

It is a matter of pleasure and pride all of us that we have got such a rich heritage. So let us preserve our this heritage and it is necessary that future generation gets congenial and appropriate atmosphere for it. Its effect will be there. It might be just 2-4% or even 0.5% but it will be positive. All these things are necessary.

Bhuj temple has taken initiative for Samuh Bhagwat for many years and this year also and I have also been coming here since the first Parayan was organized and there is Sankalp of all Haribhaktas. All of you have come here from the overseas countries like Tanzania, Kenya, London, Boston, Colonia and many other small and big cities of these countries and our country. All of you deserve all praise. We bow down to your unflinching faith and trust and love and affection towards our deities. It is a great thing that all of you have remained ardent devotees of

Bhagwan. One should not go anywhere else. If you come across any difficulty, there are Vachan of Maharaj that one should go to Shree Hanumanjidada and should perform a Path. One should not take recourse to any black magic. This is a very serious thing. There is no end to the blind faith. So one should not fall prey to such things.

I give you an example. One Haribhakta of Chovisi community came. Mahant Swami was in the office. He told me that one daughter or lady devotee is suffering from Pitru-Dosh for the last ten years. I told him that there is nothing like that, and told him to meet a doctor whose appointment was got fixed by me. It was diagnosed that there was deficiency of salt in the brain of the patient. It was just like normally people suffer from deficiency of sodium, potassium, magnesium etc. such a deficiency leads to malfunctioning of the brain and results into the imbalance. Those we are in need of medicine should not be misled to any other unscientific way.

We do come across micro advertisements in the newspaper. I do not read newspaper but once I happened to come across. The advertisers were claiming to help you reunite in your family dispute, defeat your professional enemies and such type of stuff. If these persons can really do what they claim why do they go for micro-advertisement only? Why don't print their advertisement in the whole page of the newspaper? It is a matter of common sense. All such things are merely a drama and Maharaj has kept us away from such things and have given us

## SHREE SWAMINARAYAN

Narnarayandev for our Kalyan. If you seek His shelter all your adversities will evaporate. This is serious thing and this is a fact.

When we have got such a powerful Dev with us, nobody can harm us in any way. If we cherish faith and trust and pride upon our Bhagwan then nobody can harm us. Such things do come time and again over a period of time. It is good that saints of Bhuj got together and drove such things away. Kalyan is not possible without Bhagwan and only Bhagwan can grant Kalyan. Blind faith is like a contagious disease and it multiplies very fast. It can beat even Covid-19 in this regard.

Therefore it is my humble request and especially to the ladies devotees that they should remain away from such things. These saints organized this Katha and in Katha you will not find anything else except name and Bhajan and Bhakti of Bhagwan. Our Dev is Sarvopari and we have got Shree Narnarayandev and so we should pleasure and pride in it.

It was really a very beautiful programme and all the devotees availed the benefit of this divine programme. Devotees have come from distant far places. It is an humble prayer at lotus-like feet of Shree Narnarayandev that Shree Narnarayandev may make all of us happy.

(Con. on page 6)

prey to this addiction. The gambling involves an element of luck. There is nothing greater foolish than to determine one's own destiny based on uncertain things. In gambling the winner loses immediately and the loser plays double and at last ruins himself and his family and starves his family. Therefore one must not have such an addiction.

Besides gambling there are other addictions viz. hunting, liquor, roaming without any purpose and a prudent man should abandon them.

At last it has been stated in this Shloka that one should not consume intoxicating things. These are drugs and consuming them destabilizes our mind and destroys our discretion and intelligence. Words not to be spoken are spoken and conduct not to be done is done and food not to be eaten is eaten and in this way one goes down the path of self-destruction.

It has been stated in NaradiyaSmruti

न भक्ष्यं मादकं किञ्चित् चितविभ्रमकृत हितन ॥

Intoxicating things are included in addictions and yet there is purpose in narrating them separately because some persons continue to take intoxicating things in the name of Shakat Dharma or in the name of health etc. but it is for their further clarification that they should not consume such things. All such intoxicating things definitely cause harm to our health; and they create mental ill health also. Religiously such edible things are prohibited. Not only this even the State has prohibited it. Thus, from the point of view of both Dharma and Rajya such things are prohibited. With this the people can seek their Kalyan and they can accelerate their overall development. Thus, there is a virtuous path described in this path for the welfare of the society.

**FROM THE BLESSINGS OF H.H. SHRI  
GADIWALA ON THE OCCASION OF  
SATSANG SABHA OF EKADASHI  
(KALUPUR MANDIR HAVELI) –  
“MEANING OF LIFE IS IN ACHIEVING  
BHAGWAN”**

**(Compilation : Kotak Varsha Natvarlal  
– Ghodasar) :**

Jeev is on a spiritual journey. This journey has not concluded yet. What is the spiritual journey? Adhyatma – spirituality – means a journey towards trust and imperishability of Atma by getting rid of the myth that this human body is the truth. When a jeev knows and identifies the false and misleading form of the artificial life and its futility, Jeev is on the right path in right direction. Performing journey only on this path, he gets Parmatma. Adhyatma is an Anant Yatra. We all are part of that journey. In this world, when you go for any journey, first you identify a place then decide the means to reach there and then after making all preparations for it you start your journey. Similarly in the spiritual world, first of all one has to determine the goal that is destination. This goal is said to be ‘Sadhya’. We ourselves are known as ‘Sadhak’. And then we take recourse to the means to reach upto that Sadhya and the method we adopt and follow is known as ‘Sadhana’. Sadhana can be of different types. One may take a four wheeler, one may take a rickshaw or a two-wheeler and one may choose walking as the means. But all of them reach to the last destination that is our temple. Similarly as per the nature

and taste of Sadhaka and considering the factors of Desh Kaal, Swaroop of Sadhana is determined. Certain Sadhana is ‘Bhavpradhan’. Some Sadhana is ‘Buddhipradhan’ and some Sadhana is ‘Pranpradhan’. One choosing Bhavanapradhan Sadhana cherishes and gives priority to love and affection in Bhakti. Buddhipradhan Sadhana means study of the scriptures by getting the knowledge. Pranpradhan means by taking recourse to Pranayan and Yog by doing Nirod of Chittavrutti. Thus there are varieties of Sadhana i.e. means. There are certain persons who extract essence of ‘Yog Marg’, ‘Gyan Marg’ and ‘Bhakti Marg’ and adopts a fine balance way of the three. Gradually he would understand the importance of Bhagwan in his life and in this way all these are means to get to know Parmatma.

Buddhiyog is absolutely essential prior to stepping up the steps of the spiritual path. When Mangalmay Sankalps are cherished by Buddhi, it is known as Buddhiyog. When any Satsankalps are cherished one has to be alert. While coming to the temple from house deciding to offer Thaal to Bhagwan in the temple, if we come across hungry crying children on the way, we would cherish both the wishes: to offer Thaal to Bhagwan and to offer meals to the hungry children. When we come to know that the children are really hungry, first thing is to do be done is to offer them the meals. Because Bhagwan would not accept Thaal if hungry children are neglected. So the real meaning in life is achieving Bhagwan. When Satsankalp, Punya and Satsang are united then we get the right answer in life. There comes total transformation with firm determination

## SHREE SWAMINARAYAN

and with Nischayatmak Buddhi we would be cherishing what is called Buddhiyog.

There is Bhajan of Gangasati which reads like this:

મેરૂ તો ડગો પણ જેના મનડા ડગો નહિ... પાનભાઈ  
ભાંગી રે પડે રે બ્રહ્માંડ..... મેરૂ....  
વિપત્તિ પડે તોયે વણશે નહિ ને રે  
હોય હરિજનના પ્રમાણ..... મેરૂ....  
હરખને શોકની જેને આવે નહિ હેડકી....રે  
આઠેય પ્રહર આનંદ રે ..... મેરૂ.....

This means that Buddhi is not shaken even during the most adverse situation in life. Our Buddhi remains stable during good and bad times and there remains a serene divine pleasure through Satsang and one gets success in the spiritual journey.

The means by which Paramatma is achieved is a spiritual means and after achieving Him nothing remains to be achieved in life. This is a spiritual and final goal.

One has to keep on making honest efforts. And one day all Sankalps would be completed. The only condition is to have 100% shelter and firm faith in Bhagwan.

### UPASANA OF DEITIES AS PER WISH AND SHRESTHATABHAGWADBHAKTI

- Bhavsar PallavibenVijaybhai  
(Langhanaj)

Shaunaktold : “Hey Sutji! Raja Parikshit heard this talk of Shukdevji and then what else he asked? Shukdevji was omniscient and he was also expert in beautiful description. And then story reads as under :PanuvandanMaharathi raja Parikshit was a great devotee. In his childhood when other children would play with the toys, he used to play with Bhagwan Shree Krishna Leela. Bhagwat Swaroop Sukdevji is also ardent devotee by birth. With Samagam of the saints, the noble

qualities of Bhagwan must have been discussed among them. The people who do not spend time in Gun Katha of Bhagwanthey are wasting their days and night and their life. Are the trees not living? Are the birds and other living beings do not live for themselves and their family only? So the human beings who do not spend their life in listening to Leela Katha of Bhagwan Shree Krishna they are like animals, birds and insects.

Hey Sutji? The persons who do not listen to Katha of Leela of Bhagwan Shree Krishna, their ears are just like holes in a wall. Their tongues are just like tongues of a frog. Their hands if not busy in rendering services to Dharma and Bhakti are just like hands of a dead body. The eyes who do not perform divine Darshan of deities and places of pilgrimage and rivers are just like eye-like feather of a peacock and their legs if not moving towards temples and places of pilgrimage are like the roots of a tree which do not move at all.

The human being who does not get Charanraj of Bhakta of Bhagwan is himself like a dead person though living. Hey Sutji! If the heart of a human being does not melt while listening to Katha, Varta and Dhoon, Kirtan of Bhagwan is like a dead rock and stone.

Hey Sutji! Your words make our heart full of feelings. You are an ardent devotee of Bhagwan and the best questions asked by Parikshit have been answered appropriately.....

Mandodari.

Though these five great women were married they are considered to be as pious as virgin unmarried girls. By chanting their names on daily basis one gets one's sins burnt. Mandodarai, Ahalya and Tara are characters of Ramayan whereas Drupadi and Kunti are the characters of Mahabharata.

According to the ancient Hindu scriptures, Mandodarai was Apsara of Swarga namely 'Madhura' who loved Bhagwan Shiv. Once Madhura goes to Kailash mountain to meet Shivji. Shivji was alone in meditation. In order to attract Shivji, Madhura started dancing and singing. Meanwhile Bhagwati Parvati came there. Watching Madhura dancing and singing, Parvatiji became angry and cursed he to become a frog for twelve years. Madhura begged her pardon and Shivji also requested Parvatiji. Resultantly Parvatiji showed the solution to this curse and said that if she would perform Tapascharya for twelve years in a well she would be free from curse and she would obtain her original Swaroop.

Kashyam Rishi and Mayasur the son of Diti and his wife Hema were performing Aradhana of Shivaji to get a child they heard someone shouting from the well, "Please take me out." Mayasur took Madhura out of the well. They thought that Shivji has offered this girl as gift she was name Mandodarai.

Mayasur could create and construct a palace at any place and anywhere and so he was known as Vishwakarma of the demons. Once king Ravan came to Mandor of Rajasthan to meet Mayasur and he happened to see Mandodarai. Enchanted by her beauty, Ravan asks Mayasur to get Mandodari married with him. There is a

place near railwaystation in the city of Mandor of Rajasthan which is believed to be the place where Ravan and Mandodari got married. Ravan had many other wives but due to her enchanting beauty Ravan wanted Mandodari to become the queen. Mandodari was a very pious and through her Ravan had two sons namely Meghnad and Akshaykumar.

Ravan performed austere Tapa Sadhana and obtained blessings from Brahmaji that not even deities and demons can kill him. Brahmaji gave him an arrow and told that if this arrow is hit in his Nabhi then only he would be killed. Ravan had hidden this arrow in a burrow of one pillar of his throne and only Mandodari knew this.

Hanumanji comes to Lanka in search of Sitamata. While taking with Ramkbhakta Vibhishan, Hanumanji asks the secret for the death of Ravan. Vibhishan tells about that arrow. Hanumanji takes Mandodari in confidence and obtains information about the place where that arrow was hidden by Ravan. Hanumanji obtains that arrow and offers it to Bhagwan Shree Ram. During the battle between Ram and Ravan, Bhagwan Shree Rama kills Ravan with that arrow which hit Ravan in his Nabhi.

When Ravan kidnapped Sita then also Mandodarai asks Ravan to hand over Sitaji to Ram because Sita was a pious woman and warns him that if he would not do so it would bring destruction of Lanka!

After Ravan was killed Bhagwan Shree Ram hands over the kingdom of Lanka to Vibhishan. Vibhishan was running the affairs of the kingdom very well and the people of Lanka were also very much happy.

Queen of Lanka of Tretayuga – Mandodari is considered to be religious,

## Dhruv Van

### - Labhuben Manubhai Patel (Kundal)

After accepting services of Mahadevji and Gangaji, Varniraj continues Vanvicharan. Shree Hari has been moving ahead. Rishi Munis have been performing Tapa Sadhana in the caves in the forest. This was a forest habitable for Rishi Munis. Fruit trees are bowing down to the earth due to the fruits. There were apple, banana and mango trees in the forest. The wild animals have also been coming there to perform divine Darshan of Shree Hari. Going ahead comes Dhruv Van. Five year old young Dhruv had performed Tapa at this place while obeying the directions of his mother. In order to get reminder of Dhruv, He Himself

also stands on one feet and shows the virtuous path to the people.

Every person should inculcate noble qualities – Samskaras – in one's own children which may be useful to the country, society and Sampradaya and Satsang. Even today the place where rivers Mandakini and Alaknanda meet with each other is known as Rudra Prayag. There is a beautiful temple on the bank of this Sangam ghat wherein Swaroop of BhagwanShivji is there. Even Rishi Naradji had also performed Tapa at this place. One can also have divine Darshan of Narad Van.
